"PREPARED BY AND FOR THE WALT DISNEY WORLD CAST"

DECEMBER 5, 1980

CAST CHRISTMAS PARTY TONIGHT!

Our first Cast Christmas Party for 1980 is tonight in the Magic Kingdom. The party begins at 8 p.m. and continues nonstop until 12 midnight. Throughout the evening our most popular attractions, merchandise shops and food locations will be operated by our management team for your enjoyment. Specially-priced dinners are available at several locations including chicken dinners, beef teriyaki, burritos and more, so eat after you arrive!

Special entertainment will be provided with a **Holiday Parade** at 11 p.m., "**Mickey's Magical Christmas Tale**" at the Castle Forecourt at 9:15 and 10:15 p.m., and of course visits from our own Disney characters and **Santa Claus** as well!

Cast members are asked to bring one unwrapped toy for needy children. These toys will be collected as you enter and will be distributed to needy children in our community during our annual Christmas Character Visits to children's homes and hospitals.

We'd like to remind you of these few things prior to the party:

- The Magic Kingdom **closes** to our guests at 7 p.m. and reopens for our cast members at 8 p.m. The party will end at midnight.
- You and every member of your family must have a **ticket** for admission. Families must remain together until admitted to the Magic Kingdom. Check with your division office if you have not yet received your tickets.

- Both Cast Christmas Parties tonight and **next Friday, December 12** are for cast members and their dependents **only**. Single cast members may bring one guest.
- Park in the **Main Guest Parking Lot** and take a tram to the TTC. No admission will be allowed to the parties from our resort areas.
- If you are working the party and your family is attending, give your **Main Gate Pass** to your spouse to carry with the admission tickets.
- Board either the monorail or ferry boat for transportation to the Magic Kingdom from the TTC, **after showing your ID and tickets for boarding**.
- At the Magic Kingdom admission gate, show your ID and give your tickets to the ticket taker. Keep your entire party together as you enter.
- Bring an **unwrapped toy** for our Christmas Character Visits to children's hospitals and homes if you want.

We hope everyone enjoys these special Christmas Parties, just for you!

PRICE INCREASES NECESSARY AT CAST CAFETERIAS

It has always been a Walt Disney World policy to provide the best possible value and the highest quality product for our cast members at our employee cafeterias. When you purchase a meal at the cafeteria, the price you are charged does not include the general overhead costs such as administration, maintenance, utilities, equipment and depreciation of the cafeteria that would be included in prices at restaurants elsewhere; the prices charged here include food and labor costs only.

As you know, prices have been continually increasing everywhere for almost everything, yet overall the prices at our employee cafeterias have not been raised in over 18 months. The resulting cost increase of food and labor has made it necessary to raise prices at the cafeterias as of **this Monday, December 8**.

We will continue to provide the best quality food at the lowest prices possible, and we are certain you will find that our prices will remain considerably lower for comparable quality than prices at other food locations in the Orlando area. We appreciate your cooperation and understanding with these necessary price adjustments.

IMMEDIATE VAN POOL OPENINGS

There are immediate openings in three van pools. If your schedule coincides with one of these, please drop by Cast Activities right away for an interest application.

- **Van Pool One** — Originates in the St. Cloud/Kissimmee area, for those working 6:00 a.m. to 2:30 p.m. with weekends off.
- **Van Pool Four** — Originates in Pine Hills, for those working 8:00 a.m. to 5:00 p.m. with weekends off.
- **Van Pool Seven** — Originates in the Belle Isle/Pine Castle area, for those working 8:00 a.m. to 5:00 p.m. with weekends off.

TRANSPORTATION COORDINATORS

Each major working area or division has a Transportation Coordinator available to meet with you and explain the **ride sharing** programs available. Your Coordinator can assist you in forming car pools, provide information on van pooling, our Express Buses, etc. They are there to service you, so why not begin saving money through ride sharing!

CAMPING DISCOUNT OFFERED

During the winter season, our Fort Wilderness Campground often has additional campsites available. Last year a special discount was offered to cast members and their families so that they could take advantage of our facilities during this slow season. That camping discount was so successful, we're doing it again!

Cast members and their families can enjoy an evening in the campground roughing it in a tent or your own camper or enjoying the outdoors in the luxury of a Holiday RV

at 50% off the normal rate! Now through December 14 or January 4 through February 2 campsites will be available for just **\$9.54 per night**. Holiday RV trailers which accommodate up to six people will be available for **\$36.04** which includes the **campsite**.

Call Central Reservations at 824-8000 to make reservations for a campsite only, and remember to identify yourself as a Walt Disney World cast member to insure your discount. If you are interested in renting a Holiday RV which includes a campsite, call 828-8181.

Since many of our guests plan visits on the weekend, Friday and Saturday nights have limited availability, so you may want to plan your visit for a week night. All reservations are on a first-come, first-served basis.

RESORT HOTEL DISCOUNT OFFERED

The fall season is generally a slow time for our three resort hotels, so this is a good time for cast members to enjoy the experience of staying at either the Contemporary Resort Hotel, Polynesian Village Resort or the Golf Resort.

From now through December 18 cast members may reserve a room at one of our three resort hotels for **50% off the normal rate**.

To make your reservations call the Central Reservations Office at 824-8000 and identify yourself as a Walt Disney World cast member. Your room will be held on the day of your reservation until 4 p.m. You must present your Walt Disney World I.D. at the registration desk upon your arrival.

The availability of each hotel differs and all reservations are on a first-come, first-served basis.

BUS DEDICATION AT TTC

Monday, December 1 was a "party day" at the Transportation and Ticket Center as the transportation team celebrated the dedication of the 12 new GMC RTS II buses now on line for the Lake Buena Vista Hotel Plaza and Walt Disney World Village routes.

These new buses are replacing the twin-coach system which is currently being phased-out of operation. With the arrival of the 12 buses now being utilized on these routes, cast members using the Employee Shuttle

Buses between the North Service Area and the Fantasyland Tunnel will be able to enjoy the comfort of the transient buses previously used for guests.

As part of the celebration, the West Gate Cafeteria featured a special menu with the feature being "the Red Route Special"! Also available was a special dedication cake decorated just like the bus, naturally!

Checking out the newest member of our transportation fleet, the GMC RTS II, are (back door) Bert Lutz, Phil Radford, and Leonard Dyle; (front door) Russ Bannister, Reggis Frazier and Bob Slocum.

SAFE DRIVING RECORD

Months Without An Accident

Number Of Accidents with Cast Member Injuries Last Month

The Holiday Season is already upon us. It is the season to be "jolly", but it is also the season when the most accidents occur. People go out for an evening of "fun" and drive home after drinking too much — often the direct cause of an accident; people stay out late partying, and drive home half-asleep — also the direct result of an accident.

Keep this Holiday Season "jolly," don't let an accident happen. Watch out for the "other guy"; don't drink and drive, stay over somewhere if you're too tired to make it home.

Watch how you drive and don't become our next statistic.

JUNIOR ACHIEVEMENT COMPANIES RECEIVE CHARTERS

The year is almost half-way over for our Walt Disney World-counseled Junior Achievement Companies, but they are already making a great showing for the year!

Walt Disney World-counseled companies sold their products at the Lake Eola Fiesta In The Park last month and most recently at the Longwood Village Art Festival. Two of our three companies are running neck-in-neck in the Company of the Year competition with **Business Encounters** being named the Number One company-of-the-quarter and T.B.C. right on their necks as the Number Two company-of-the-quarter.

At the Charter Presentations held last week **Rich Turner** of our Merchandise Division and Executive Advisor of T.B.C. presented the charter to **Mark Hoffman**, T.B.C. President and to **Janet Mogul**, T.B.C. Vice President of Marketing.

Debby Zutter, also of our Merchandise Division and Executive Advisor of Business Encounters presented the company charter to Business Encounters President, **Melanie Holtz**.

Today is the anniversary of **Walt Disney's** birth . . . he was born in Chicago, Illinois on December 5, 1901.

LETTERS TO US

Thank you for the basket of carnations and your expression of sympathy.

Lee and Mary Ellen Sippy

Dear Cast Members,

Thank you for the lovely flowers that were sent during my hospital stay. Your thoughtfulness was very much appreciated.

Dottie McDaniel
LBV Wardrobe

Words cannot express my appreciation of thoughtfulness of our cast, my department, the staff of Orange Vista Hospital and "troupe" at the time of my recent "Downfall." I especially appreciated the phone calls, visits, flowers and assorted "goodies."

You're all too much!

"It Takes People"

The Central Florida Blood Bank Mobile Unit has been at Walt Disney World for one full week and has found hundreds of cast members willing to "roll up their sleeves" to donate a pint of blood to our own Walt Disney World "bank."

As long as our Walt Disney World blood bank account has an adequate amount of credits, lifesaving blood will be available to any and all cast members and their dependents who are in need of blood. One major illness can seriously deplete the number of credits in our account. It is through these annual blood bank drives that we continually replenish this supply.

There is still time for **you** to donate blood to the Walt Disney World blood bank account. Call our **Blood Bank Hotline at extension 5757** to schedule an appointment. Every cast member who wishes to donate blood will be released from their shift. After you have donated your pint of blood you will be given a receipt to return to your supervisor when you return to work.

So don't wait . . . call for your appointment today. The Central Florida Blood Bank Mobile Unit will be at these locations next week:

LOCATION	DATE	TIME
Polynesian Village	Friday, Dec. 5	10:00 a.m.-7:00 p.m.
Administration Area	Monday, Dec. 8	8:30 a.m.-5:30 p.m.
Fort Wilderness	Tuesday, Dec. 9	9:30 a.m.-6:30 p.m.
Lake Buena Vista	Wednesday, Dec. 10	10:30 a.m.-7:30 p.m.

Suzanne Koenig of Art & Design found out that it doesn't hurt at all!

Giving blood allows you a few minutes to lie down, as Carl Booth of Theme Park Maintenance discovered!

Pat Holloway of Adventureland Maintenance has his temperature taken prior to giving blood during this Holiday Blood Bank Drive.

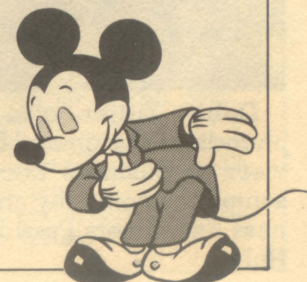

"Did you eat breakfast?" was one of the first questions the nurse asked Dan Tobin of Security before he gave blood. Just checking on your health, Dan!

One volunteer from Operations is Steve Wilson, who gave his vital statistics to the nurse before giving his pint of blood to the Walt Disney World account.

It's an orange juice break for Lynn Veitch of Display after she donated a pint of blood.

FISH AT LITTLE LAKE BRYAN

Pretty soon the "specs" will be schooling, and these "good-eating" fish are great for dinner! They bite on Missouri minnows, so get stocked for a good day of fishing. Fishing is allowed off the dock at Little Lake Bryan on weekdays when the lake is closed. Just bring your I.D. along and enjoy an afternoon of fishing.

Little Lake Bryan is open throughout the fall and winter season from 10 a.m. until dusk every Saturday and Sunday for the enjoyment of our cast. Fisher "people" will not be able to fish from the dock during lake operating hours; however, boats are available at the reasonable rate of just \$1 per day!

The next time you want to go fishing, plan on using the facilities at Little Lake Bryan (and save yourself some gas!)

SPORTS, CLUBS & SPECIAL EVENTS

SHEFFIELD TAKES CHESS TOURNAMENT

It was "nip 'n' tuck" at last week's Chess Tournament. David Sheffield of Entertainment was the odds-on favorite to win the tournament, but a second-round loss to Nicolas Guzman of Contemporary Banquets dimmed David's chances.

Never-the-less, David won his last two games to tie for First Place with Douglas Chin of Operations/Foods, Nicolas Guzman and Todd Durham, a cast member dependent.

Douglas Chin went undefeated through the first three rounds and was tripped-up in the last round by David. David took first place honors, with Douglas taking first place in the advanced division.

Continued column 2

The "dark horse" of the tournament was young Todd Durham, just 12 years old, who lost his first game to Rick Lacey of the Golf Resort but went on to score 3-1. Rick had a rough schedule playing three of the top four winners, but he did well enough to take top honors in the Intermediate Division. Fourteen-year-old Chris Vastine won the beginner's prize in this, his first tournament.

Plans are now in progress for our January Tournament. You can challenge our top winners David Sheffield and Douglas Chin every Thursday night beginning at 6 p.m. at the Cast Library at Cast Activities, second floor of the Center Building.
